Ash (Narrator): Showdown on the Forest Road!
The gang are walking toward the forest road stretches ahead, calm and scenic. Sunlight filters through the leaves, and a gentle breeze rustles the trees

Sarah: It’s so quiet here… almost relaxing.

Lillie: Yeah. After all the battles we’ve had, this is a nice change.

Avery: I could use some break, but I'll keep pressing on. Hm?
The group suddenly stops as the path splits into two separate roads

Raye: Huh. Two paths.

Jonah: Which one do we take?

Ty: Don't know. We can take the left side.

May: Hmm. I think it could take longer. Shall we?

Ty: Ash?

Ash: The right path. It’s a shortcut back to Ecruteak City.

Ty: You’re sure?

Ash: **Nodded** Yeah. I came through here during my last journey. It’ll make the trip a lot easier.

Lillie: If Ash remembers it, I trust him.

Sarah: **Smiling** Shortcut it is, then.

Ty: In that case, I'm fine with it.

Max: That saves us a lot of time.
The group agrees with turns and heads down the right path, deeper into the forest. A small flock of Pidgey suddenly flies overhead, chirping cheerfully

Avery: Look, up there.

Sakura: It's a Pidgey.

Manaphy: Manaaa!

May: Manaphy?
Manaphy floats upward playfully. The Pidgey circles around it, chirping in a friendly tone

Dawn: **laughing softly** They’re not scared at all.

Ash: Looks like they’re saying hello.

Pikachu: Pika Pika.
Manaphy twirls happily in the air before drifting back down into May’s arms

May: Looks like they just wanted to play for a bit.

Manaphy: Mana.
The Pidgey flaps away into the trees

Avery: Manaphy loves greeting any pokemons.

May: **Giggles** He does.
The group slows down as the forest path opens into a small clearing. Sunlight shines through the trees, and the air is calm

Sarah: So Ecruteak City is not that far?

Ash: No. Will get there faster. Why?

Sarah: I could use a quick break for a moment.

Sakura: Good idea. Walking through this forest really works up a thirst.

Dawn: There's a spot here for a quick.

Ash: Sure thing.

Pikachu: Pika.

Ty: I could use some water here.

Jonah: There's plenty for us.
Everyone stops and pulls out water bottles

Ty: **Drinking, then exhaling** Yeah. It feels good to slow down for a minute.

Manaphy: Mana. Mana.

Pikachu: Pika.

Teddiursa: Ursa.

Max: This forest is really peaceful.

Lillie: It almost feels like nothing could go wrong here.

Sarah **Smiling** Let’s enjoy it while it lasts.
Manaphy floats happily around May, splashing a little water playfully

May: **Laughing** Careful, Manaphy!

Manaphy: Mana.
The group relaxes, unaware that something nearby is watching them, then, Raye hears a noise coming from the trees

Raye: Hm…Did anyone else feel that?

Jonah: Feel what?
A faint crackling sound echoes nearby

Pikachu: Pika?

Ash: That wasn’t the wind.

Sarah: What is it?

Everyone turns toward a large tree at the edge of the clearing. Suddenly, a Manectric steps into view, standing tall and alert. Small sparks flicker around its mane as it watches the group closely

Manetric: **Growling**

Ash & his friends: **Surprised**

Pikachu, Teddiursa & Manaphy: **Surprised**

Ty: Whoa! What's that pokemon?

Dawn: A Manectric…
Ty checks his pokedex to get details of Manectric

Pokedex (Voice): *"Manectric, a discharge pokemon. Manectric is constantly discharging electricity from its mane. The sparks sometimes ignite forest fires. When it enters battle, this pokemon creates thunderclouds."*

Manectric: **Growling**

Raye: Is it wild?

May: It doesn't look aggressive. But it's definitely on guard.
Pikachu's cheeks spark faintly in response

Pikachu: Pika…

Manectric: **Growling**
Manectric lowers its stance slightly, electricity crackling louder

Max: Whoa… it looks strong.

Avery: Should we back away?

Lillie: No. We should stay together.

Pikachu: Pika!

Ash: Careful, buddy.

Teddiursa: Ursa!

???: Easy there.

Ash & his friends: Hm?
A young Trainer steps out from behind the tree, calm and composed

Male trainer: Hey there. Sorry if it startled you guys.

Dawn: Wait, Manectric's not going to attack.

Male trainer: No. It's okay. There are no hostiles.
Manectric relaxes immediately, stepping back beside him

Male trainer: See? Everything's fine.

Ash: So it's your Pokémon.

Male trainer: **Nodded** Yeah. He's just doing his job to meet anyone who isn't a stranger.

Dawn: Your Manectric listens really well.

Male trainer: We've been through a lot together.

Teddiursa: Teddiursa.

Pikachu: Pika Pika.

Manectric: **Friendly growling**

Male trainer: You guys are together?

Ash: Yeah, we're traveling together. Hi. I'm Ash Ketchum, from Pallet Town. And that's Pikachu, my best buddy.

Pikachu: Pikachu.

Ash: And that's my friends here.

May: Hi, I'm May. And that's Manaphy with me.

Manaphy: Mana.

Max: I'm Max.

Dawn: Dawn.

Ty: Ty Masterum, from New Bark Town. This is Teddiursa.

Teddiursa: Ursa.

Raye: Raye.

Jonah: The name's Jonah.

Avery: Avery.

Sakura: I'm Sakura.

Sarah: I'm Sarah, nice to meet you.

Lillie: And I'm Lillie.

Male trainer: Very nice to meet you. I'm Clint, from the Hoenn region.

Max: **Amazed** Wow, you're from the place too. Like May and I.

Raye: So. What brings you all the way to Johto?

Clint: I wanted to test my skills against different trainers and gym styles.

Ash: **Grinning** Sounds like our kind of journey.
Manectric lets out a low growl, sparks fading as it calmly observes the group while Ty pets him

Ty: I thought he's going to attack us in seconds, but he's very friendly to us now.

Manectric: **Friendly growling**

Clint: Hehe. It's fine. There's no need to be worried.

Ash: Since you're nice and Manectric as well, wanna join for a quick break?

Clint: Sure.

Lillie: And tell us everything about your adventure's goal.

Clint: Of course. Let's go.
Clint joins Ash's gang for a break with them. Dense trees and thick shadows conceal several figures watching from a distance. Leaves rustle softly as silhouettes move between trunks, it was Team Skull

Rapp: **Smirk** Well... look what we've got here. The kids picked up a new friend.

Team Skull Male Grunt 1: Should we jump 'em now?
Yuho: Eh. I don't really care.

Guzma: Nobody moves until I say so.

Plumeria: They beat us at Cianwood City. We won't rush in blind again.

Tupp: We're not going to attack?

Guzma: Not yet.
He looks toward the clearing, eyes narrowing

Guzma: Ash Ketchum...you'll learn soon enough. When we signal our move, we counter attack.

Plumeria & her grunts: **Nodded**

Tupp, Zipp, Rapp & Yuho: **Nodded**
**They continued to watch over the gang without being noticed.*
*Clint sits with the group near a fallen log while Manectric rests alertly nearby. The mood is relaxed but attentive**

Ash: Here, want some water?

Clint: Thanks.

Lillie: Glad you decided to take a break with us.

Clint: **Nodded** I don't usually stop long, but it's good company.

Dawn: So, Clint, you said that you began your journey?

Clint: Yeah. I started my journey there—trained near Rustboro and Mauville. After that, I decided to see how trainers in other regions battle.

May: That's amazing! Hoenn has really strong trainers, since Max and I are from Hoenn.

Max: Yeah. She loves battling with other trainers.

Sakura: You've must've loved battling other trainers, Clint.

Clint: **Smile** That's what pushed me to get better.

Ash **Enthusiastic** We've had a lot happen lately. Gym Battles, contests, and… a few run-ins with troublemakers.

Clint: That's worth it.
Clint looks at Ty holding his sixth gym badge

Clint: No way. You won the gym badge, Ty?

Ty: I just won my sixth Gym Badge in Olivine City. My goal is to reach the Indigo Plateau League.

Clint: **Impressed** Six already?

Sarah: **Warm smile** My cousin works hard for every badge.

Clint: **Impressed** That’s not easy. You’ve got a strong focus. I respect that.

Ty: Thanks. I'm really getting at this.

Sakura: He earned it with smart strategies.

Raye: And he keeps improving every battle.

Clint: Sounds like you’ve got both skill and heart. That matters.

Ash: That's why he never gives up.

Clint: Glad to hear it. And speaking of that, I really know you, Ash.

Ash: Huh?

Clint: I saw you live at the Masters Eight Tournament, you really perform an understanding move. That makes you a new champion now.

Ash: It was a tough tournament. But I earned my victory and as a new champion.

Pikachu: Pika Pika.

Clint: Your battles were incredible.

Ash **Smiling warmly** Thanks. But I’m still learning—just like everyone else.

Clint: You're starting your journey again?

Ash: Yeah. I want to face more challenges and battle against trainers from before, despite that I started over again.

Pikachu: Pika.

Clint: That's cool.

Max: He's a powerful trainer now.

Dawn: Totally.

Clint: What about you, Max? You're a trainer too?

Max: Not yet. I traveled with Ash, my sister May and other friends from before. But someday, I’m gonna be a Pokémon Trainer for real, like Ash and May.

Clint: That’s a good goal. Hold onto it.

Ty: You’ve got plenty of time, Max.

May: But it'll take forever.
Manaphy floats happily between May and the group

Manaphy: Mana.

Raye: It’s nice to meet someone who understands this journey.

Jonah: Yeah. Feels like we’re all heading toward something big.

They all smiled about their goal and adventures while the atmosphere shifts, until Ty approaches Clint

Ty: Hey Clint. Since I'm inspired by your training, would you like to have a Pokémon battle? I want to test myself against someone strong.

Clint: Sure. A pokemon battle sounds good.

Sakura: Let's watch those two perform their battle.

Ash: Yeah, I agree with that. Let's give them space!
The group moves to the edge of the clearing, forming a loose ring for Ty and Clint ad they ready in position

Ty: You ready for this, buddy?

Teddiursa: Ursa.

Ty: We set and ready, Clint. I'm ready when you are.

Clint: That's good to hear. I'm sending my pokemon that you saw early today. This is going to be fun.

Ty: All right. Let's go, Teddiursa!

Teddiursa: Teddiursa!

Clint: All right! Manectric, let's go!

Manectric: **Growling**
Clint sends out Manectric to battle against Teddiursa

Clint: Here we go! Manectric, Spark!

Twin streams of water crash into Scizor and Salazzle, Both Pokémon are knocked back and collapse

Plumeria: **Shocked** What?!

Guzma: **Furious** You're kidding me! Golisopod—teach 'em a lesson!

Golisopod: Goli!

Ty: Not so fast.

Guzma: Huh? What do you mean?

Ty: I have another member of my team to send. Go—Gyarados!

Gyarados: **Roaring**
With a thunderous roar, Gyarados bursts onto the field.
Gyarados:

Guzma: **Terrified** !

Plumeria & her grunts: **Terrified**

Clint: **Amazed** No way.

Zipp: That thing's huge!

Ty: Here we go! Gyarados—Dragon Rage!

Gyarados: **Roaring**
A blazing red beam slams into Golisopod, sending it skidding backward

Golisopod: **Being hit**

Guzma: That can't be! He's too strong.

Ty: Definitely!

Ash: Way to go, Ty! Now, let's end this here! Pikachu, use Thunderbolt!

Pikachu: Pika...chu!!!

Guzma & his grunts: Agh!!!
A massive bolt of lightning crashes down, engulfing Team Skull and their Pokémon They are launched deep into the forest, disappearing in a cloud of smoke

Plumeria & her grunts: Aaahh!!

Guzma: I WILL REMEMBER THIS!!!
Silence falls. Leaves drift gently as the smoke clears. The battle was over, Ash's team wins

Ty: We did it!

Teddiursa: Ursa!

Ash: Nice teamwork, everyone!

Pikachu: Pika Pika!

Dawn: Great teamwork, you guys.

Sarah: Another victory to us.

Manaphy: Mana.

May: Ohh, Manaphy. I'm so happy that you're okay. Thanks for taking and protecting Manaphy for me, Max.

Max: Anytime, big sis.

Avery: Alright! Everyone did amazing out there.

Jonah: We really showed Team Skull this time.

Raye: **Proud** And I owe you one for helping me.

Jonah: **Smile** Thanks, Raye.

Ty: You were awesome out there, Teddiursa and Croconaw. You too, Gyarados.

Teddiursa: Ursa!

Croconaw: Croconaw!

Gyarados: **Growling happily**

Clint: That was incredible, Ty. Your Teddiursa and Croconaw were amazing, especially Gyarados.

Ty: Thank you. These are my favorite teams.

Ash: Clint, thanks for jumping in and helping us. We couldn’t have done it without you.

Clint: Don’t mention it. These crooks picked the wrong group to mess with.

Sakura: Your Aggron was really strong.

Lillie: And your timing was perfect.

Dawn: Yeah, you fight like someone with real experience.

Clint: **Modestly** I’ve had some tough battles back in Hoenn.

Sarah: **Proudly** You’ve really grown, cousin. I could tell Clint was impressed.

Ty: Yeah, I still have a lot to learn.

Jonah **Proud** Still, that Gyarados entrance? That was epic.

Ty: Hahahaha.

Teddiursa: Ursa!

Croconaw: Croc!

Gyarados: **Low growl happily**
The sky glows orange and gold as the sun dips below the treetops. Long shadows stretch across the forest road leading toward Mahogany Town. The group stands together, packs ready. Clint adjusts his gloves, Manectric standing loyally beside him

Clint: So, your heading out?

Ash: Yeah, we're moving to Mahogany Town as our next destination. But before we head out, wanna travel with us for a while?

Pikachu: Pika!

May: Yeah! The more friends, the better!

Dawn: It'd be fun battling together again.
Clint paused, looks at Manectric with their smile then back at the group

Clint: I appreciate that. I really do. But I think I'll keep going on my own. I've still got things to prove to myself.

Ty: **Respectful** I get that. Still, I'm glad we met. We had a great battle since we didn't finish.

Clint: **Smile** Same here. But let's have rematch for next time we met.

Manectric: **Growling**

Ty: Sounds good. I'll be looking forward for a battle.

Teddiursa: Teddiursa.
Clint turns to Ash with a smile

Clint: It's a pleasure to meet you in person, Ash Ketchum. I want to have with you for next time since your the champion.

Ash: **Smile** Sure, let's have a battle someday.

Clint: It's a promise.
They shake hands. Clint heads down the forest path, Manectric at his side. He pauses and waves once more

Clint: See you again guys later. Take care!

Sakura: Take care, Clint.

Avery: See you later.
The group turns toward the road leading to Mahogany Town, resuming their adventure

Narrator: As the sun sets on the forest road, new friendships fade into the distance—but the journey continues. With Mahogany Town ahead and the Indigo Plateau drawing closer, Ash and his friends march onward… toward their next great challenge.

To be continued...

(Pokemon Master Revolution Theme Song Plays. Outro:)
I've become the very best
That no one ever was
I've traveled regions and caught some more and now it's time to rest.
Not so fast, here comes some more
And new friends too and they got some things to do

I'll teach them, all the things I've learn about
Pokemon, gotta catch em all, gotta catch em all
I guess it's true and my friends are with me too
It is time for a brand new journey and Pokémon gotta catch em all
Gotta catch em all
